DEFINITIONS OF CLASSES

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club.

Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class i.e. Monday 12th June 2017 .

Wins in Variety classes do not count for entry in Breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value.

A dog is not eligible for entry in Variety classes (excluding AVNSC classes) unless also entered and subsequently exhibited in a Breed class where such a class is provided for which it is eligible. Exemptions from this Regulation are:-

From 1st January 2017, and for a period of one year the Kennel Club Show Regulations which stipulate that dogs must be entered and exhibited in a breed class before exhibiting in an Any Variety Class/Stakes Class and that only unbeaten dogs are eligible to Compete in the group or best in competitions are suspended.(Please refer to the FAQs on the Kennel Club Website for further information)

(2) Transfer a) If a dog is ineligible for a class or classes as regards its breed, colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct breed, colour, sex, weight or height and, in the event of there being no equivalent class, Minor Puppy, Puppy & Junior excepted to the Open class for the correct breed, colour, sex, weight or height.

b) If an exhibit is entered incorrectly in a Minor Puppy class, Puppy class or Junior class which is over age but under 12 calendar months of age, 18 calendar months of age or 24 calendar months of age respectively, the Show Secretary shall transfer the exhibit to the Puppy class, Junior class or Yearling class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy class, Junior class or Yearling class to the Open class for the correct breed, colour, sex, weight or height.

c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height.

18. Dogs in Vehicles on Hot Days - Kennel Club Show Schedule Notice

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.

- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.

- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.

- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

- When at the show, never leave your dog in the vehicle.

- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.

- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

General Statement of Policy:

We commit to operating the Association in accordance with the Health and Safety at Work Act 1974 and all applicable Regulations and Legislation made under the Act 'So far as is reasonably practicable'

Our policy is to provide and maintain safe and healthy working conditions, equipment and systems of work for all our employees, volunteers and the general public, and to provide such information, training and supervision as they need for this purpose. We also accept our responsibility for the health and safety of other people who may be affected by our activities.

The Association encourages family participation and therefore acknowledges the increased risks to young and/or inexperienced volunteers.

The Board of Trustees acknowledge that Health and Safety responsibilities within the Association are of equal importance as other priorities.

Although the Board of Trustees accept responsibility for the implementation of this policy, it relies on individual employees/volunteers to accept their own duty and responsibility to themselves, fellow workers and others who might be injured/affected by their acts or omissions.

The allocation of duties for safety matters and the particular arrangements that we will make to implement the policy are set out below.

The policy will be kept up to date, particularly if the Association's activities change in nature and size. To ensure this, the policy and the way in which it has operated will be monitored and reviewed every year or more frequently if required.
