We are always grateful to our members for any assistance that they can give on Show Day, or throughout the year. If you are able to offer help, please indicate below the areas that you feel most able to help with. Typical jobs round the time of the Show include erection of benching in tents, barriers, hurdles, stewarding, site clearance, rubbish collection. If you have a particular interest that corresponds to any particular Section, and would like to become involved, please contact the Section Secretary.
