Dear Subscriber

Prime Productions, makers of the definitive Flora Day film "Invitation to The Dance", and films of several other traditional events such as the Steam Engine Rally at St Agnes and the Royal Cornwall Show 2009, will be at the showground for the duration of this year's show.

Filming from the very start of preparation until (hopefully) the showground is cleared, they will be producing a DVD souvenir film thereafter.

Expectations are for a duration of approximately 80 minutes.

Prime Productions' media unit will be sited at the show and will be manned at all times, and their personnel (when not filming) will be pleased to answer any questions and to note any special requests for inclusion.

They hope, as with the Royal Cornwall Show, to be able to see and film most if not all aspects of the Show.

Please do tell your friends and acquaintances about this newsletter and encourage them to subscribe.
