

Dear Subscriber

We hope that you all had a thoroughly enjoyable day at the Show on Monday. We were blessed with near perfect weather with the gentle breeze keeping the heat at bay.

There were excellent turnouts in all of the competitive sections with horticulture seeing a marked increase in the vegetable classes but a small reduction in flowers. This is thought to be due to the unusual weather in the run up to the Show. The increase in poultry section entries meant that extra cages had to be borrowed to accommodate all the entries.

The entertainers all proved very popular and the evening concert was well received proving a enjoyable and relaxing way to round off the Show day.

Almost 500 pictures have been uploaded to the Association web site today in a number of galleries, which will hopefully help you to find the areas in which you are interested. I am expecting more pictures of the sheep section entries in the course of the next couple of days and will post them as soon as practicable. See the link at the foot of this e-newsletter. If anyone wishes to contribute further pictures then please reply to this e-mail to make appropriate arrangements.

I have also listed a number of links to press reports, individual items and a near 10 minute video on the Facebook page. If you are not a Facebook subscriber you can still access the links from the Facebook feed at the foot of the Show home page. The Facebook link is shown below. Why not join Facebook and be kept up to date with the Show news as it is posted.

In January we will have the annual Show Dinner & Dance at the Greenlawns Hotel in Falmouth. A link to the information page is also at the foot of this e-newsletter.

Finally a reminder that next year the Show will be on 16 July.

Please do tell your friends and acquaintances about this newsletter and encourage them to subscribe.
