

Next Show - July 11 2011

Dear Subscriber

We are pleased to tell you that the first four schedules and entry forms have now been added to the web site for download. These are for Domestic, Goats, Horticulture and Sheep. A link to the download page is at the foot of this newsletter. Further schedules will be added shortly.

As you would expect arrangements for the Show are well in hand and we will shortly let you all know who will be providing the entertainment in the Kelly's area this year. As always we will be featuring quality local acts. St Stythians Band, will, of course, entertain on the bandstand throughout the day as well as leading the traditional march to the opening ceremony.

The evening concert will feature Newquay Male Voice Choir along with St Stythians Band. This is always a good evening of music under canvas and with our new frame marquees this year it promises to be a very special event. Please note that this year the Concert will take place in the luncheon marquee. A link to the concert details appears below.
