

# Next Show - July 11 2011

Dear Subscriber

Welcome to the first newsletter for 2011. We hope that you all had an enjoyable festive season and that you are now looking forward to the 2011 Show on 11 July.

We also welcome many new subscribers to the ever growing band of e-news recipients. Please do tell you friends about the e-newsletter.

If you go to the home page of the Show website you will see that this has been redesigned to give a quick link section and also that at the foot of the page there is a link to our new Facebook fan page which is replacing the old Facebook Show group. If you are a Facebook user please do visit the new page and click "Like". If you aren't a user you could always join!

Good news for all our visitors and members is that at the A.G.M., held in January, it was agreed to hold the admission and subscription costs at the 2010 level. This will also mean that Trade Stand operators who require additional admission tickets for their teams will pay the 2010 rate this year.

Another item of good news for the 2011 Show is that all of our marquees will be frame based instead of the traditional post and guy rope types. We expect the Showground to look really smart this year.

Finally we regret to say that the DVD of the 2010 Show will not now be forthcoming as the production company decided that it was not viable to proceed.

Please do tell your friends and acquaintances about this newsletter and encourage them to subscribe.
