Dear Subscriber

Despite the rain in the early afternoon, which was much heavier and more prolonged than the latest forecast we had heard when we arrived on the Showground at 05.08, the Show was enjoyed by the vast majority, especially those who took cover during the rainstorm and then re-emerged to sunshine for the remainder of the day.

Most Sections of the Show saw entries on a par with 2008 or even increased. It was very pleasing that cattle entries were up on last year, particularly with the number of regular exhibitors under TB restrictions. Sheep saw their highest entry ever this year. Horticulture also saw a pleasing rise in entries, with some of the classes doubling in size. The return of Dog Agility again delighted many visitors to the Show.

Very importantly please make a note that the next Show will be on **12 July 2010**.

The first picture gallery has been added - [click here](#) to visit the Gallery index page.

A reminder of a plea from the last newsletter:

For all the photographers out there, we are always keen to have pictures to display on the web site so if you are willing to waive copyright then please do e-mail your best pictures to [vyv.toms@stithiansshow.org.uk](mailto:vyv.toms@stithiansshow.org.uk) and a selection will be added to the site over the coming week or two. We like to show all aspects of the show, but always seem to be short of the fur and feather sections.

Did someone send some pictures late on Monday or early on Tuesday? If so will they kindly resend as unfortunately the original message was mistaken for SPAM by Outlook (and ultimately me - tired after Show day) and I auto empty my deleted folder on each exit - sorry.

Please do tell your friends about our newsletters and encourage them to subscribe as well.
