Dear Subscriber

This should be the last e-news before the Show. Yes the day is nearly upon us!

Despite the rain on Saturday the preparations are well in hand and every effort is being made to preserve the grass surfaces until Show Day. This means that some of the trade exhibitors are having to walk further than they might perhaps wish as parking is strictly on the roads.

The forecast for Sunday and Monday is very promising with only a few light showers predicted until late Monday.

For all the photographers out there, we are always keen to have pictures to display on the web site so if you are willing to waive copyright then please do e-mail your best pictures to vyv.toms@stithiansshow.org.uk and a selection will be added to the site over the coming week or two. We like to show all aspects of the show, but always seem to be short of the fur and feather sections. An e-newsletter will be issued once the pictures are on the web.

So we hope to see you for the usual splendid day out on Monday.

Please do tell your friends about our newsletters and encourage them to subscribe as well.

Copies of previous newsletters are available on the site
